RE: D.T.E. Docket No. 02-34 (Petition of Canal Electric Company, Cambridge Electric Light Company and Commonwealth Electric Company)

Dear Ms. Cottrell:

On behalf of our client, J.P. Morgan Securities, Inc. ("JP Morgan"), I hereby petition the Department for permission to intervene in the above referenced proceeding as a limited participant. JP Morgan has an interest in this proceeding because it acted as the exclusive sales manager, financial advisor, and auction advisor in connection with the sale of the petitioner's interest in the Seabrook Nuclear Generating Station, which is the subject of this proceeding.

While the Petition to Intervene may technically be late, there would not be any prejudice to any party resulting from the Department's granting this petition.

If you have any questions concerning this, please do not hesitate to call.

Yours truly,

BROWN RUDNICK BERLACK ISRAELS LLP
